На этом тоже подойдет? Aug 13, 2011 I have a problem with my Xtech Vision G1163801207 Webcam! I have downloaded the drivers for this WebCam from the link provided above. I am running Windows Vista and it is the 32-bit version. I got the driver, unzipped it and dragged the three files to the desktop. Once I restarted my computer, I was able to find all three files but it says that the "Access Denied" error message appears! I tried checking out this web site to see if I could find a solution to this problem: But 3ef4e8ef8d
