Category: Main Memory Category: Solid-state computer storagePrime Minister Narendra Modi has said a "long-term restructuring of the economy is needed to keep pace with the times." Speaking at the IPPA's 'IPPA Conclave' in Mumbai, Mr Modi said the country needs to go slow in certain sectors, it needs to change its planning system, throw out long-term projects and focus on execution. We should also get rid of the idea of planning in the market... That is the definition of failure. The market has a certain mechanism to decide on the best thing for it," Mr Modi said. In a detailed presentation, Mr Modi showed what had changed in the world over the past two years, the world has changed. "So India needs to work on the assumption that the world is changing... India needs to work on
