### 2. Lightning Link and Dragon Link

These linked progressive slots by Aristocrat are among the **most-played games** on the Baha Mar floor. **Lightning Link** and **Dragon Link** feature multiple themes—like “Happy Lantern” or “Tiki Fire”—but they all share the same jackpot system. Each game offers **four levels of jackpots**: Mini, Minor, Major, and Grand.

What makes these machines exciting is their “**Hold & Spin**” **bonus feature**, which gives you multiple chances to collect money or jackpot symbols. The Grand Jackpot is often in the six-figure range and can be won with just the right combination during a bonus round.

### 3. 88 Fortunes

For players who prefer an [High-limit casino Bahamas](#) with traditional symbols of luck and wealth, **88 Fortunes** delivers both visual appeal and rewarding gameplay. This game offers **four progressive jackpots**, which are triggered through a Fu Bat bonus feature. The best part? You don't have to bet the maximum to win the top prize, though betting higher increases your odds.

Located prominently near the center of the casino, these machines tend to attract a crowd—especially when someone triggers the pick-a-symbol bonus for a chance at the Grand jackpot.

---

### 4. Mega Moolah (When Available)

Though not always guaranteed to be on the casino floor, **Mega Moolah**—often referred to as the “Millionaire

Maker"—has appeared at select times at Baha Mar. This game is **famous worldwide** for creating more casino millionaires than any other progressive slot. If you spot it on the floor, don't walk—**run to that machine** and try your luck.
