ABOUT US

Founded in 2002 by Mr. Ebrahim Saeed Alghas, AREXCO has established itself as a premier aluminium profile extrusion company in the Gulf Region. With a strong commitment to innovation, quality, and customer satisfaction, AREXCO has grown from a regional manufacturer into an internationally recognized name. We specialize in providing custom-engineered aluminium solutions designed to meet the evolving demands of various industries. Our advanced production facilities, combined with a team of skilled professionals, ensure precision, reliability, and timely delivery in every project. Through continuous investment in cutting-edge technology and sustainable practices, we strive to uphold the highest standards of excellence. AREXCO's mission is to lead the global aluminium extrusion market with integrity, innovation, and unwavering dedication to our clients.

WOOD EFFECT ALUMINIUM IN UAE

AREXCO is a trusted name in the UAE for premium wood effect aluminium profiles, offering the perfect blend of natural aesthetics and durable performance. Our advanced powder coating and sublimation techniques create realistic wood finishes that replicate the warmth and elegance of timber while maintaining the strength, longevity, and low maintenance of aluminium. Ideal for doors, windows, façades, and decorative applications, our wood effect aluminium solutions are weather-resistant, eco-friendly, and customizable to suit any design vision. Backed by years of industry expertise and cutting-edge manufacturing technology, AREXCO ensures exceptional quality, precision, and beauty in every profile. Choose AREXCO for timeless wood-inspired aluminium designs that elevate architectural and interior spaces across the UAE and beyond.
